To Whom it May Concern

This letter serves to confirm that Proud Construction has carried out various building construction contracts at our school since 2005.

The work has been carried out timeously and has been of a very high standard. Eddie Locke (owner) has personally managed the projects and ensured that all of our requirements have been met.

I have no hesitation in recommending him (Proud Construction) to carry out construction work in the school environment.

A handwritten signature in cursive script that reads 'L. Breytenbach'.
